Principally Speaking:

County of Los Angeles Public Health:

If you have symptoms:

- Day 0 is your first day of symptoms.
- Day 1 is the first full day after your symptoms developed.

You must stay home until:

- At least 5 full days have passed since your symptoms first started and
- You have a negative viral COVID-19 test collected on Day 5 or later and
- You have not had a fever for at least 24 hours and
- Your symptoms are improving

-OR-

- At least 10 full days have passed since your symptoms first started and
- You have not had a fever for at least 24 hours and
- Your symptoms are improving

Note: If you have a repeat positive test on Day 5 or later you must still isolate until a subsequent test is negative OR, if you choose not to test, at least 10 days have passed since your symptoms first started, you are fever free for at least 24 hours and your symptoms are improving. If you have a condition that severely weakens your immune system you might need to stay home for longer than 10 days. Talk to your doctor for more information.
