Years of Developing Students Academically and Spiritually!

Principally Speaking:

Benefits of Bingo: Bingo is one of the Parish/School fundraisers that helps the school financially. Money from Bingo has helped the school with the purchase of text books and technology upgrades. This year it is a goal of the administration to get 100% percent parent participation. I understand that working Bingo can be a bit tedious because I have worked it myself. However, the benefits of Bingo to the school are monumental. I want to **THANK THE PARENTS/GUARDIANS for participating and making Bingo an important part of our fundraising.** I would like to continue our partnership with Bingo and work together in meeting our financial goals. Thank You for your participation and continual support.

God Bless,
Ms. Hernandez
